

Not sure if you've had too many?

I'll check for you.

Drunk and drugged driving kills 16,000 people each year.

More than 300,000 people are hurt and 1.5 million are arrested. One in three Americans will be affected by this violent crime in their lifetime. You, your friends, your family could be next.

From July 1 to July 4, law enforcement agencies across the country will stop impaired driving in its tracks. This Fourth of July weekend sobriety checkpoints and saturation patrols will help make the roads safer for everyone.

So be prepared. If you drink, don't drive. Call a taxi, designate a sober driver, or plan on spending the night wherever you choose to celebrate.

Remember...

You Drink & Drive. You Lose.

I'll check for you.
